

# ROLL INTO WINTER.

MINI APPROVED COLD WEATHER WHEEL PACKAGES  
& ORIGINAL ACCESSORIES.  
FALL/WINTER 2021/22.

# THE 7 DEGREE RULE.

## WHEN TO CHANGE TO MINI APPROVED COLD WEATHER TIRES.

When the temperature drops to 7 °C, it's crucial to have your MINI equipped with MINI Approved Cold Weather Tires. As a rule of thumb, cold weather tires should be installed on your vehicle well before experiencing the first signs of winter weather. Unlike summer or all-season tires, which will harden and lose their grip, MINI Approved Cold Weather Tires remain flexible at lower temperatures, thereby maximizing contact with the road's surface throughout the entire season.

Switch to MINI Approved Cold Weather Tires at 7 °C, and drive with maximum confidence knowing you'll be ready to brave winter's first snowfall. Visit [mini.ca/tires](http://mini.ca/tires) to learn more about MINI Approved Cold Weather Tires.

# NOT YOUR AVERAGE WHEEL & TIRE.

## **SPECIALLY ENGINEERED & PRECISION CRAFTED**

To perfectly match your MINI's exact safety and design specifications.

## **DEEP SIPES**

An abundance of these tiny slits enhances traction on slippery surfaces compared to all-season or summer tires.

## **SPECIALLY DESIGNED TREAD BLOCKS**

Sharper edges and closer spacing allow these "cells" to enhance grip on snow and ice.

## **LIGHT ALLOY WHEELS**

Provide high thermal conductivity for optimized brake ventilation and performance.

## **NARROW GROOVES**

To trap snow in channels and ensure it doesn't accumulate on the tire's surface.

# BENEFITS OF MINI APPROVED COLD WEATHER WHEEL PACKAGES.

## **1 SAFE**

MINI Approved Cold Weather Tires are made from unique rubber compounds that stay flexible in cold temperatures and help improve braking distances in winter conditions. Plus, their aggressive tread pattern maximizes contact with the road to increase traction on snow and ice.

## **2 TESTED**

Each and every MINI Approved Cold Weather Tire goes through a rigorous testing process and is calibrated to ensure that you can enjoy an optimal driving experience regardless of conditions.

## **3 STABLE**

Ideal for dynamic driving styles, all MINI Approved Cold Weather Tires have been designed to provide optimal stability when cornering and driving at high speeds.

## **4 ECONOMICAL**

All MINI Approved Cold Weather Tires are designed with optimum rolling resistance to reduce energy and fuel consumption, providing ongoing optimization in relation to current CO<sub>2</sub> emission standards.

## **5 TAILOR-MADE**

Your MINI, your style. Choose from a variety of options to find the wheels and tires best suited to your MINI's looks. MINI Star Approved Tires are developed in cooperation with the following premium tire manufacturers for maximum ride comfort and performance.
