# PROTECT YOURSELF FROM NEGATIVE EQUITY\*.

If your vehicle is deemed a total loss from, for example, collision, fire or theft, and it is worth less than the remaining vehicle loan amount, then you are at risk of negative equity. This means **you could have to continue making payments for a vehicle you can no longer use.**

## A STRAIGHTFORWARD EXPLANATION\*:

Outstanding vehicle loan balance	\$35,000
Insurance payout value (less deductible)	- \$28,000
<b>Amount owed (debt waived)</b>	<b>\$7,000</b>

## ADDITIONAL OPTION\*.

### REPAIR EVENT.

As an add-on benefit, you can also purchase a 'Repair Event' benefit that will waive a fixed amount of your MINI Financial Services loan in the event of a **partial loss**. This is any instance where a damage declaration record has been added to your vehicle's history report and your claim has been paid by your primary insurer.

The amount waived will depend on your original vehicle loan amount:

LOAN VALUE	DEBT WAIVED
Less than \$30,000	Up to \$2,500
\$30,000 - \$100,000 (inclusive)	Up to \$5,000
More than \$100,000	Up to \$7,500

## HOW WE CAN ASSIST\*.

With MINI Limited Debt Waiver, you are eligible<sup>1</sup> to have the balance remaining on your MINI Financial Services loan waived.

### REPLACEMENT EVENT.

In the event of a **total loss** that is covered by your primary insurer, MINI Limited Debt Waiver will waive certain outstanding debt on your MINI Financial Services loan.

The amount waived is a variable amount equal to the difference between your primary insurer's payout and the remaining balance of your MINI Financial Services loan immediately prior to the total loss.
