BY MINI. FOR MINI.

MINI ORIGINAL ENGINE OIL.

When it comes to caring for your MINI's engine, not all oils are created equally. While conventional motor oils can clog up your MINI's finely-tuned mechanical systems, MINI Original Engine Oil features a fully synthetic formula coupled with Active Cleansing Technology to keep your engine clean, lubricated, and performing to its full potential. It is also the only engine oil developed and tested by MINI to support the core traits of modern MINI engines, ensuring maximum power, utmost efficiency, and optimal protection against corrosion.

LL01 FE OW-30, 1L.

This premium engine oil sets new standards, ensuring outstanding engine performance and high protection. Oils with the "FE-Fuel Economy" label also provide fuel savings when used in MINI vehicles. 100% fully synthetic.

PERFECT FIT.

Precisely matched to your vehicle.

TESTED.

Intensive selection and testing process.

PERFORMANCE.

Maximum grip for a dynamic performance.

SAFE.

High durability and Run-flat Technology.

DURABLE.

Tires with reduced rolling resistance
last longer.

Developed in close collaboration with leading tire manufacturers, MINI Star Approved Tires are precisely calibrated and rigorously tested to match the unique driving characteristics of your MINI. A tire awarded with the MINI Star Marking meets 100% of the demanding criteria, and exhibits the highest level of quality, ride comfort, handling, and safety.

MINI RUN-FLAT TIRES.

Thanks to their reinforced sidewalls, MINI Run-flat Tires will retain their form and stability after a complete loss of tire pressure. This means that in the event of pressure loss, you will be able to drive for 80 km at 80 km/h*, allowing you to safely reach a MINI Service Centre or a safer destination for assistance.

Installation costs are extra. Available for a wide range of MINI models. See your authorized MINI Retailer for applicable model years.

*Certain limitations and restrictions apply. Drivers should check their specific vehicle's Owner's Manual for complete details.

MINI CERTIFIED COLLISION REPAIR CENTRES.

When it comes to restoring your MINI after a collision, using just any repair service could compromise the safety of your vehicle. That's why MINI has a network of over 40 MINI Certified Collision Repair Centres (CCRCs) across Canada, offering advanced technology, MINI trained specialists, and guaranteed work to ensure your MINI is restored to its original factory safety specifications.

Upon repair completion, only MINI CCRCs can issue a MINI Approved Certificate of Repair guaranteeing your repairs were completed to MINI standards.

Make a MINI CCRC your only choice for collision restoration. For more information, please visit mini.ca/ccrc.
